

TRUCK TRAFFIC WITHIN SUBDIVISIONS

POLICY NO. 21-01

PURPOSE: The purpose of this policy is to ensure uniformity when dealing with complaints from residents concerning through truck traffic within subdivisions to travel from one major arterial road to another.

POLICY: Upon review of complaints and discovery of subsequent facts which warrant placing "No Thru Trucks" signs on subdivision streets, the Public Works Department would erect such signs at major points of entry to such subdivisions.

Replaces: Policy No. 17-04
Reference: March 16, 1982
Adopted: September 18, 1991
