

**PROTECTION OF HISTORICALLY, ARCHITECTURALLY
OR ARCHAEOLOGICALLY SIGNIFICANT AREAS**

POLICY NO. 24-03

PURPOSE: To establish a process to identify, locate and map areas and sites of historic resources.

POLICY: Step 1. Review of historical documents, with the assistance of the Hernando Historical Museum Association, Inc., to identify significant historical resources in the County which are in need of protection.

Step 2. Identified historical resources will be added to the Historical and Archaeological Resources Map.

Step 3. All identified historical resources will be referred to the Florida Bureau of Archives, History and Records Management for clarification as to significance of site.
