# VETERAN SERVICES

“Honor the soldier and sailor everywhere, who bravely bear his country’s cause. Honor, also, to the citizens who cares for his brother in the field and serves as he best can, the same cause” ~ Abraham Lincoln

## Florida Veterans Support Line Expands Statewide

With a veteran population of more than 1.5 million in Florida, [Crisis Center of Tampa Bay](#) is pleased to announce, the [Florida Veterans Support Line](#), 1-844-MyFLVet has expanded to **every county in Florida**.

Through a simple phone call to 1-844-MyFLVet, Florida veterans who are struggling with issues like PTSD, substance abuse, relationship troubles and personal finances can connect confidentially to emotional support and community resources, 24 hours a day. When a veteran calls 1-844-MyFLVet or 2-1-1, they will speak with someone who is trained to provide immediate emotional support. Calls are answered by a network of local, non-profit organizations throughout the state, including those that answer calls for the 2-1-1 system in Florida. Veterans can also be referred to both VA and non-VA resources, including non-profit organizations, community programs and local government services. **Help is available regardless of discharge status.**
