

PUBLIC OPEN HOUSE

Kass Circle - Spring Hill Drive Safety Improvements

Hernando County, Florida

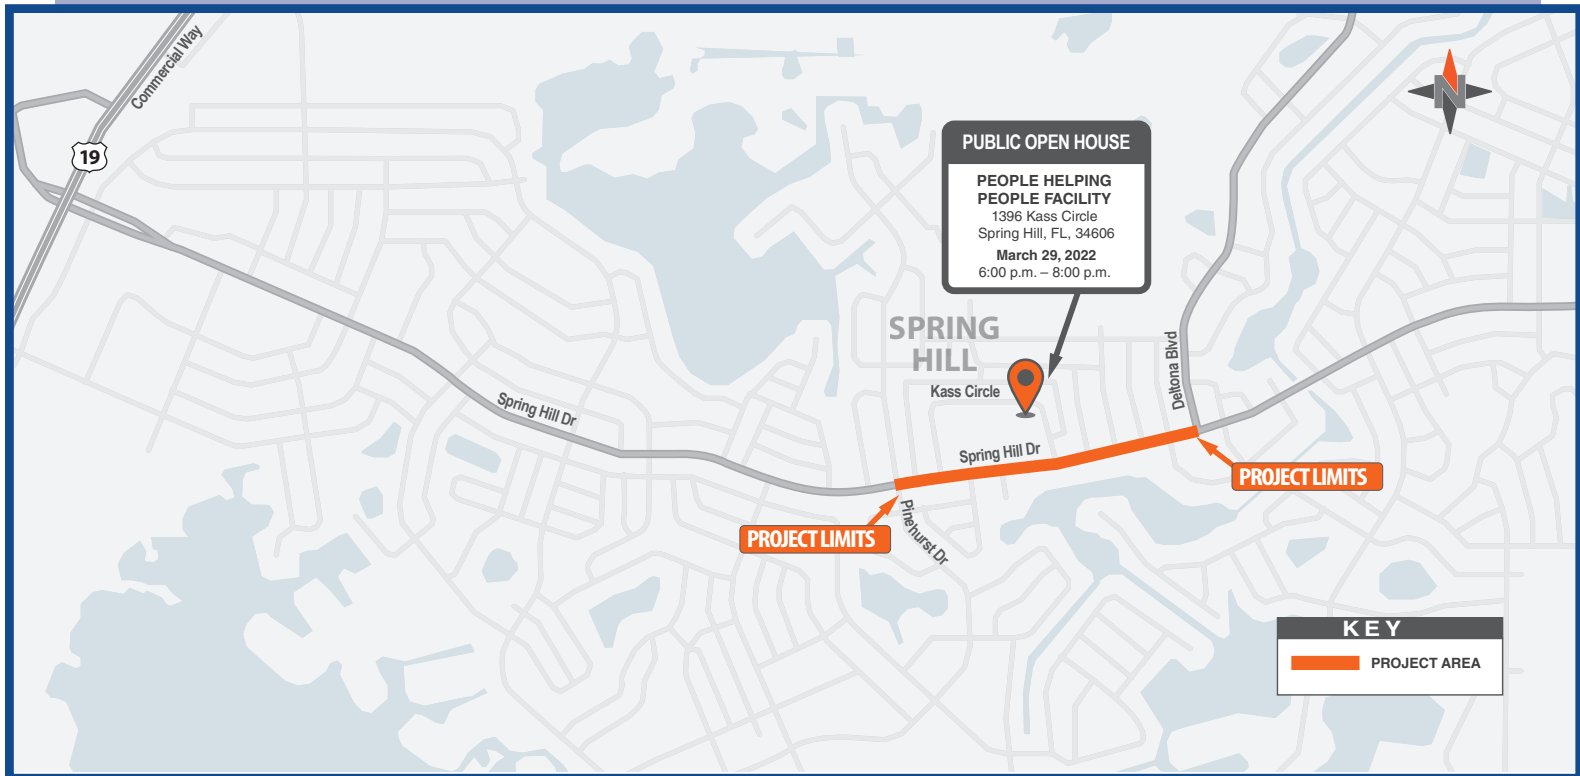

March 2022

YOU ARE INVITED TO A PUBLIC OPEN HOUSE

Hernando County invites you to attend a Public Open House on March 29, 2022, as part of the design process for Kass Circle - Spring Hill Drive Safety Improvements Project.

Interested persons may attend the Public Open House at the People Helping People Facility, 1396 Kass Circle, Spring Hill, FL 34606. Attendees may come anytime between 6:00 p.m. and 8:00 p.m. The Public Open House will present an opportunity for the public to view project exhibits and speak with project staff. There will be a looping presentation which will include details on the project.

PROJECT MAP

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability, or family status. Persons wishing to express their concerns relative to compliance with Title VI or persons who require accommodation under the Americans with Disabilities Act (ADA) are asked to contact Tiffany Smith, Hernando County Title VI Nondiscrimination Coordinator, at 352-540-6289 or email at tesmith@hernandocounty.us at least 7 days before the meeting.

PUBLIC OPEN HOUSE

Kass Circle - Spring Hill Drive Safety Improvements

Hernando County, Florida

Hernando County will be implementing roadway and safety improvements for traffic channelization, pedestrian crossings, and planning for a bus pull out bay and shelter improvements in the Kass Circle Community. Spring Hill Drive, between Pinehurst Drive and Deltona Boulevard, is one of the most heavily traversed roads in Hernando County.

Traffic channelization improvements will include eliminating dangerous left turn movements entering and exiting Spring Hill Drive and developing plans for a channelized intersection into the main entranceway into the Spring Hill Plaza. Median modifications are anticipated at Kass Circle (west), Acorn Circle and Port Court.

The pedestrian safety improvements include the engineering and design of flashing beacon pedestrian crossings at Kass Circle (east) and the main entranceway to Spring Hill Plaza. The crosswalks will connect to existing sidewalks and will increase pedestrian safety by formalizing the interaction between automobiles and pedestrian traffic, and increase access to neighborhood amenities for residents, including the main grocery store and pharmacy.

Improvements also include the design of bus pull out areas and a bus shelter for Kass Circle residents.

Additional roadway improvements include extending the left turn lanes for westbound at Pinehurst Drive, the eastbound and westbound left turns at Acorn Circle, and the eastbound left at Kass Circle (east).
