LOCAL COORDINATING BOARD MEMBERSHIP CERTIFICATION

The designated official planning agency is responsible for appointing a local coordinating board in each county. The purpose of the coordinating board is to provide advice and direction to the CTC concerning the coordination of transportation services.

According to Rule 41-2, FAC, there are eighteen (18) members appointed to the local coordinating board. The designated official planning agency appoints an elected official to serve as the official chairperson for all local coordinating board meetings.

- The Florida Department of Transportation.
- A representative of the Florida Department of Children and Family Services.
- A representative of the Public Education Community.
- A representative of the Florida Division of Vocational Rehabilitation.
- A person who is recognized by the Florida Department of Veterans Affairs as representing veterans.
- A person who is recognized by the President of the Florida Association for Community Action as representing the economically disadvantaged.
- A person over sixty representing the elderly.
- A person with a disability representing the disabled.
- Two citizen advocates. One whom must be a person who uses the transportation service(s) of the system as their primary means of transportation.
- A local representative for children at risk.
- In areas where they exist, the Chairperson or designee of the local mass transit or public transit system's Board.
- A representative of the Department of Elder Affairs.
- An experienced representative of the local private for-profit transportation industry.
- local representative of the Florida Agency for Health Care Administration.
- A representative of the Regional Workforce Development Board.
- A representative of the local medical community.
- Agency for Persons with Disabilities

The following are some of the duties of the local coordinating board:

- Approving the Community Transportation Coordinator's Memorandum of Agreement (MOA) and Service Plan.
- Annually evaluating the Community Transportation Coordinator's performance or reviewing the report from an outside evaluator.
- Reviewing all applications for local, state, and federal transportation disadvantaged funds.

Community Transportation Coordinator (CTC)

The Community Transportation Coordinator is the agency or organization in each county responsible for ensuring that coordinated transportation services are provided to serve the transportation disadvantaged. The Citrus County Board of County Commissioners is the designated CTC for Citrus County.

The CTC may provide all or a portion of transportation services in a designated service area. CTC's may also subcontract or broker services if it is cost effective and efficient.

The following are some responsibilities of the CTC:

- Develop and implement a Memorandum of Agreement (MOA) and Service Plan.
- Execute contracts for services with transportation operators.
- Review all applications for federal, state, and local funding (in conjunction with the local coordinating board).
- Prepare an Annual Operating Report.

DEVELOPMENT PLAN

Introduction to the Service Area

The Citrus County Transit System (CCT) operates a demand-response door-to-door bus service for residents of the County. This para transit service provides a transportation option to the county's transportation disadvantaged population (elderly, disabled, and economically disadvantaged) a potential alternative to single-occupancy driving along with a deviated fixed route linking Beverly Hills, Lecanto, Inverness, Crystal River, Hernando, and Floral City.

CCT operates 25 buses and vans with an average of 4,500 trips a month (post-COVID). The transit system has been in operation since 1978 under the County's Community Services. CCT's current para-transit bus service is considered sufficient to serve the County's generally rural development pattern and density.

CCT's service satisfies the County's Transportation Disadvantaged Services Program which was developed based on Rule 41-2, Florida Administrative Code, and Chapter 427, Florida Statutes. The Hernando/Citrus Metropolitan Planning Organization is the Designated Official Planning Agency for the purposes of implementing the County's Transportation Disadvantaged Services program and the BOCC approves the CCT's annual funding and operating budget. The County's Community Transportation Coordinator (CTC) is currently filled by the CCT's director.

Aside from the BOCC, a local Transportation Disadvantaged Coordinating Board also gives guidance to the planning and operation of CCT. The local coordinating board is comprised of citizen volunteers representing the elderly, disabled, economically disadvantaged, military veterans, and Citrus County citizens at large. The local coordinating board also includes representatives from the County School Board, the Florida Department of Transportation (FDOT), the Department of Children and Families, and the Labor and Employment Services Sector.

CCT is supported by various funding sources from the Federal Transportation Administration, the State of Florida, and the County. The Federal Transportation Administration funding is derived from 5307 Urbanized Area Formula Grants, State funding consists of the FDOT - Section 5311 and State Block grants, and funds from the Florida Commission for the Transportation Disadvantaged. The County provides matching funds for the system's operation from the general fund.

Background of the TD Program

The transportation disadvantaged are defined in Chapter 427, Florida Statutes, as: "Those persons who because of physical or mental disability, income, status, or age are unable to transport themselves or purchase transportation and are, therefore, dependent upon others to obtain access to health care, employment, education, shopping, social activities, or other life-sustaining activities, or children who are disabled or high-risk or at-risk as defined in Section 411.202, Florida Statutes".

Florida's Transportation Disadvantaged Program began in 1979 with the adoption of Chapter 427, Florida Statutes. The Florida Legislature adopted this legislation to provide transportation disadvantaged services in a coordinated fashion.

In 1989, the Florida Legislature reviewed Chapter 427, Florida Statutes according to the State's Regulatory Sunset Act (Chapter 11.61, Florida Statutes). During this legislative review, the Legislature decided to reenact chapter 427, Florida Statutes (FS) with several revisions.

In 1990, Rule 41-2 of the Florida Administrative Code (FAC) was adopted to implement the provision of

Chapter 427. In addition, Rule 41-2 of the FAC assigns the Commission for the Transportation Disadvantaged with the responsibility to accomplish the coordination of transportation services provided to the transportation disadvantaged.

The following sections discuss each of the major components of the Transportation Disadvantaged program.

Commission for the Transportation Disadvantaged

The Commission for the Transportation Disadvantaged is independent and reports to the Governor and the Legislature. Chapter 427, FS states that:

“The purpose of the Commission is to accomplish the coordination of transportation services to the transportation disadvantaged”.

The Commission currently consists of the following 11 voting members appointed by the Governor. Each member must be a resident of Florida:

- The Secretary of - Transportation or -his or her designee.
- The Secretary of - Elderly Affairs or -his or her designee.
- The director of the Division of Blind Services.
- The director of the Agency for Persons with Disabilities or his or her designee.
- Two county managers or administrators, one from a rural county and one from a county with a population of more than 150,000, according to the last state census. Term appointment shall be a 4-year term and may be re-appointed for one additional 4-year term. A member appointed whose term has expired shall continue to serve on the commission until such time as a replacement is appointed.
- Five members who have experience in transportation, workforce development, transit services, management, insurance, or service of persons with disabilities or who have a disability and use transportation for the transportation disadvantaged. Term appointment shall be a 4-year term and may be re-appointed for one additional 4-year term. A member appointed whose term has expired shall continue to serve on the commission until such time as a replacement is appointed.

The chair of the commission shall be appointed by the Governor, and the vice chair of the commission shall be elected annually from the membership of the commission.

COMMUNITY TRANSPORTATION COORDINATOR DESIGNATION / HISTORY

Designated Official Planning Agency

The designated official planning agency is responsible for transportation disadvantaged planning in a given area. In the urbanized areas of the state, the planning agencies are metropolitan planning organizations (MPOs). In the rural areas of the state, organizations that are eligible to be planning agencies are:

- County or city governments.
- Regional planning councils.
- Metropolitan planning organizations

- Local planning organizations who are currently performing planning activities in the service area.

Designation Date / History

Citrus County's Public Transit System, Citrus County Transit (CCT) originated in 1978, and is operated under the County's Community Services Department. The CCT was recently re-designated as the Community Transportation Coordinator for the period from July 1, 2022 - June 30, 2027.

In August of 1990, the Citrus County BOCC accepted the position of Designated Official Planning Agency for the purposes of implementing the County's Transportation Disadvantaged Services Program, pursuant to Rule 41-2, FAC, and Chapter 427, FS. The Florida Transportation Disadvantaged Program is administered by the Florida Commission for the Transportation Disadvantaged. Effective July 1, 2018, the Hernando/Citrus Metropolitan Organization became the Designated Official Planning Agency for Citrus County

A local Transportation Disadvantaged Coordinating Board was organized and chaired by a County Commissioner. The local Coordinating Board consists of citizen volunteers representing the elderly, disabled users of the transportation-disadvantaged program in the county, the economically disadvantaged, the military, the veterans, and the citizens at large.

A staff representative of the County School Board, the Florida Department of Transportation, the Department of Children and Families, and the Labor and Employment Services represents appropriate governmental agencies.

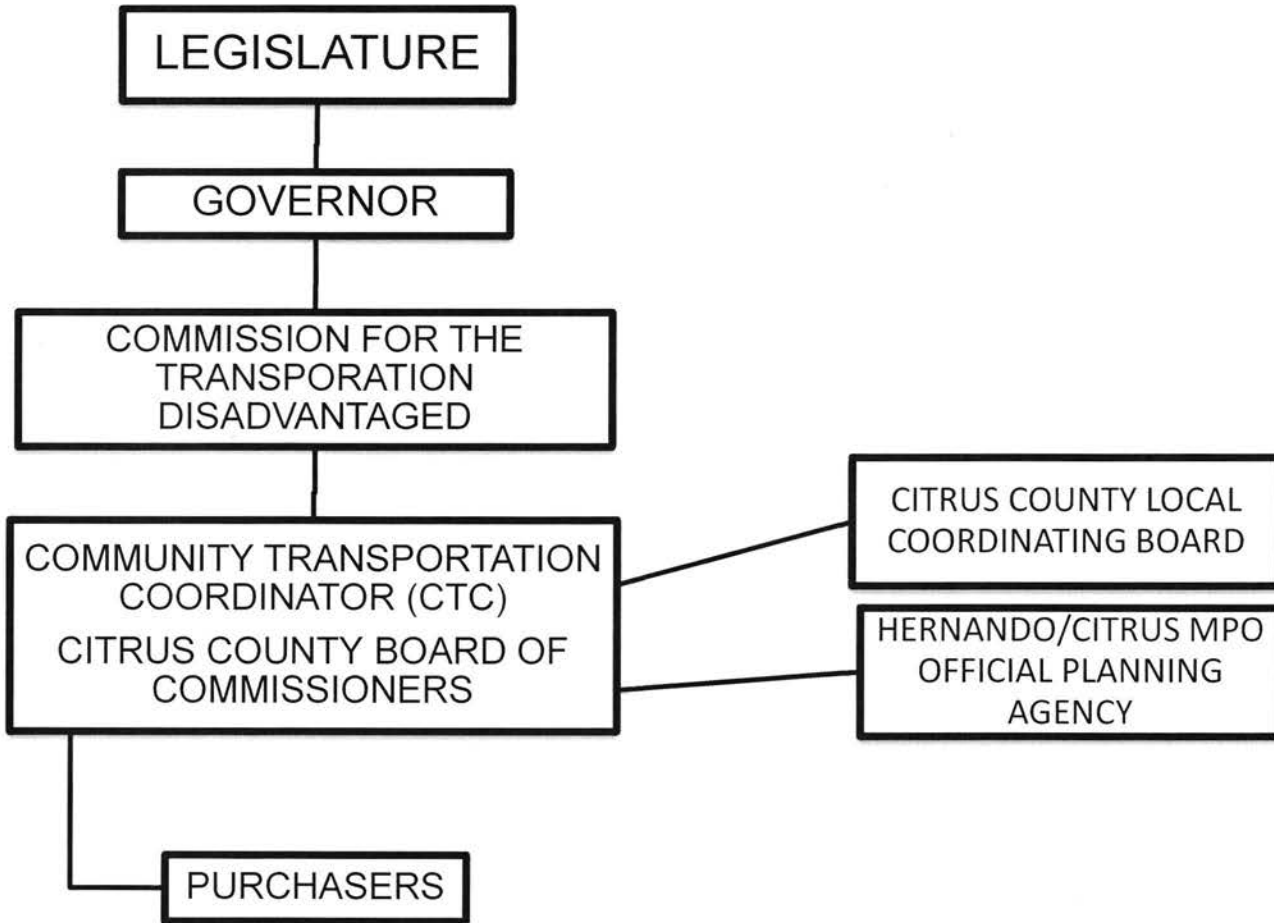

Citrus County Transit was appointed by the Florida Commission for the Transportation Disadvantaged to serve as Citrus County's Community Transportation Coordinator. The Florida Commission for the Transportation Disadvantaged has made grant funds available to support transit planning and the Citrus County Community Services Department, Transit Services is the recipient of those funds.

The Florida Commission for the Transportation Disadvantaged has also made grant funds available to implement the services to the transportation disadvantaged citizens of the County and these grant funds support capital equipment purchases and the operations of the program. The Citrus County Community Services Department, Transit Services is the recipient of these funds which are called "Transportation Disadvantaged Trip/Equipment Funds."

Organization Chart

The following chart identifies the general organization of those involved in the provision of transportation disadvantaged service in Citrus County.

CONSISTENCY REVIEW OF OTHER PLANS

Local Government Comprehensive Plan(s)

The local comprehensive planning process involves essentially four basic steps:

1. The collection and analysis of pertinent data concerning the physical and socio-economic characteristics of the study area.
2. The formulation of goals for future growth and development.
3. The development of objectives and policies guided by the goals which are the essence of the Comprehensive Plan.
4. The implementation of the Comprehensive Plan.

The Transportation Disadvantaged Service Plan is consistent, to the maximum extent feasible, with the Citrus County Comprehensive Plan/Public Transit Element.

Regional Policy Plan(s)

Commission for the Transportation Disadvantaged 5-Year/20-Year Plan

The Commission for the Transportation Disadvantaged 5-Year/20-Year Plan established goals, objectives, and a plan of action for the Transportation Disadvantaged Commission. The plan presents forecasts of the demand for transportation disadvantaged services, the cost of meeting the forecasted demand, the forecasts of future funding for transportation disadvantaged services and the approaches to balancing the supply and demand for these services. The plan also provides forecasts of the transportation disadvantaged population, the demand for trips, the number of trips supplied, the unmet demand for trips and the operating expenses.

The Transportation Disadvantaged Service Plan is consistent, to the maximum extent feasible, with the Commission for the Transportation Disadvantaged 5-Year/20-Year Plan.

PUBLIC PARTICIPATION

The Transportation Disadvantaged Service Plan is approved annually by the Local Coordinating Board at an advertised public meeting. The Board is comprised of representatives from private and public agencies, as well as citizens. All meetings are open to the public.

Service Area Profile / Demographics

Citrus County is located in west central Florida along the Gulf Coast and is bounded by the Withlacoochee River on the north and east, Hernando County on the south, and the Gulf of Mexico on the west. The surrounding counties include Levy to the northwest, Marion to the northeast, Sumter to the east and southeast, and Hernando to the south. The county contains approximately 773 square miles. There are two incorporated places: The City of Inverness on the East Side of the county, and the City of Crystal River on the West Side.

Land Use

Citrus County is a largely rural county with the concentrations of population located in the Cities of Inverness and Crystal River and urbanized areas of Citrus Springs-Homosassa and Beverly Hills. The unincorporated areas of the county are in transition from rural and agricultural land uses to rural residential and suburban residential uses. A large portion of the county is developed as low density residential or is vacant but committed for residential use. Another major land use is conservation. Lands owned by the State of Florida, Southwest Florida Water Management District (SWFWMD), and other public lands comprise a major portion of the County. A tabulation of the land uses in Citrus County is presented on the next page.

POPULATION / COMPOSITION

Transportation Disadvantaged Population

The projected number of "transportation disadvantaged" persons (including low income, physically and mentally disabled, and elderly) living in Citrus County is shown in Table 7-1. More than 50% of the county's population is considered potentially transportation disadvantaged. This population group has been consistently growing in the last few years, again, indicating a potential need for an increased level of transit services in the future.

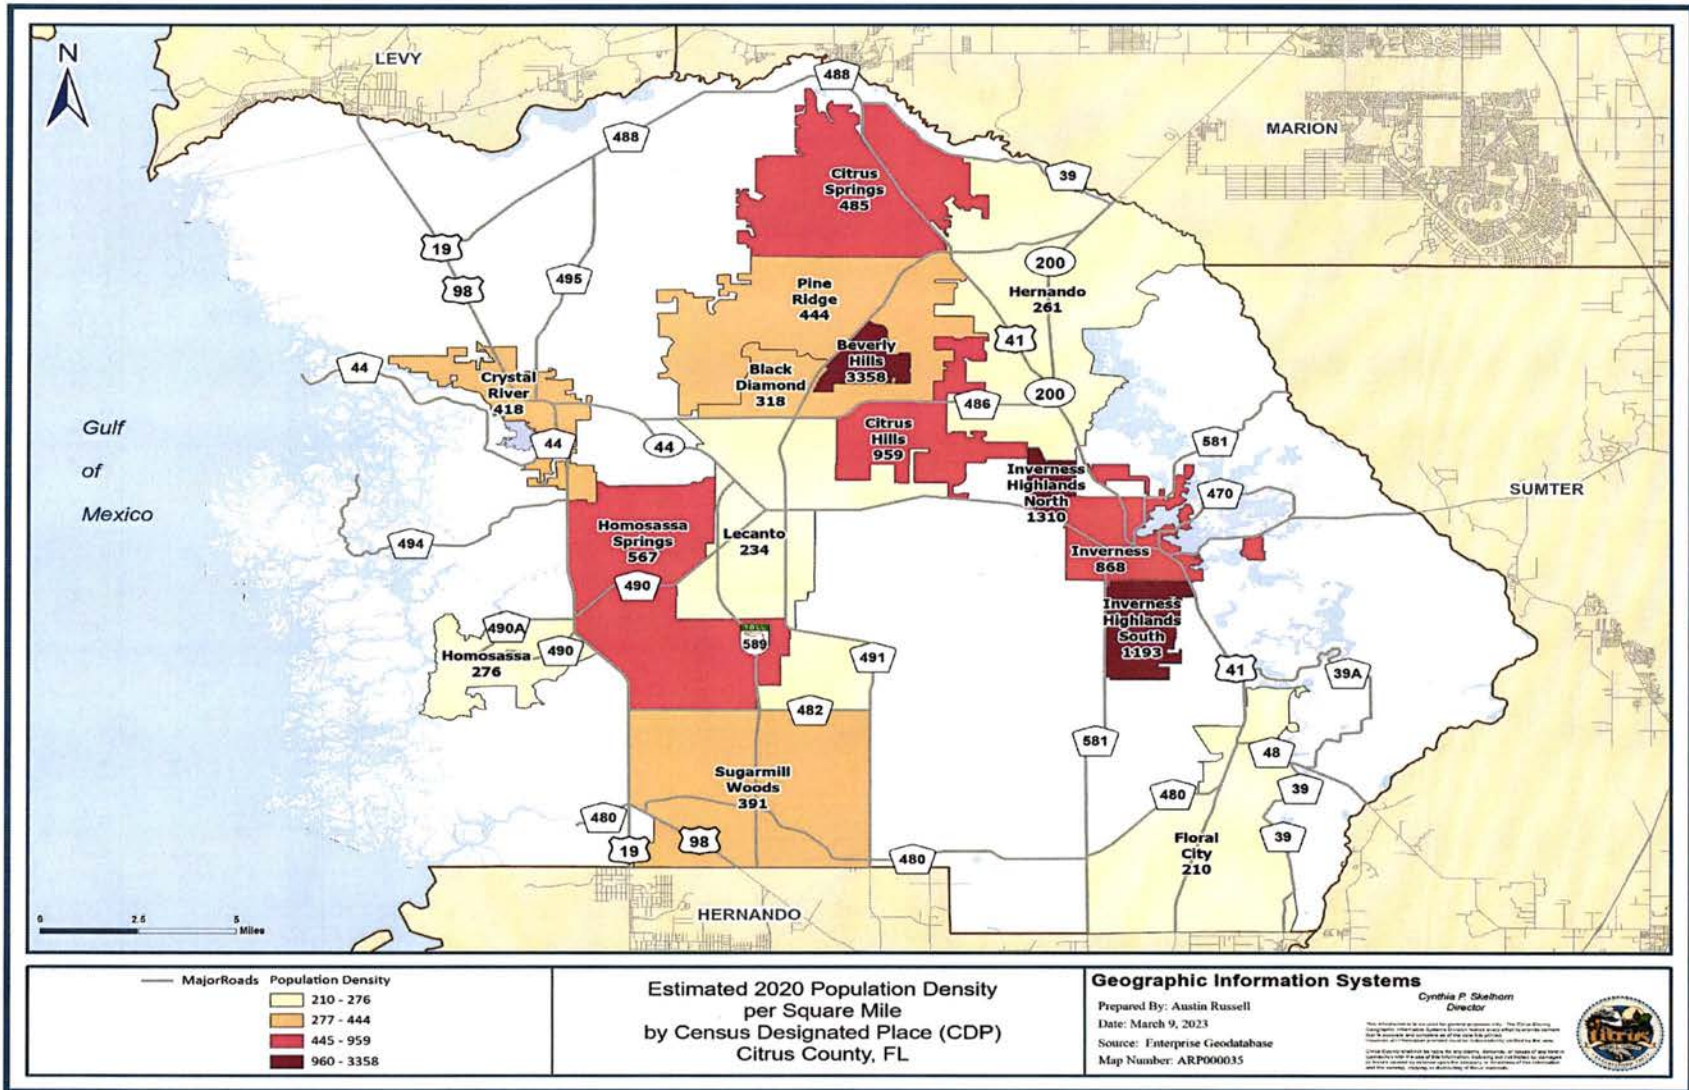

The elderly, age 60 and over, make up the majority of the transportation disadvantaged in Citrus County and the mentally handicapped constitutes a small portion of the people using the CCT system.

Table 2: Potential Transportation Disadvantaged Population in Citrus County by Year, 2021-2025

YEAR	POPULATION
2021	74,649
2022	78,381
2023	79,459
2024	82,163

Major Trip Generators/Attractors

The major transit attractors and generators within the county are comprised of retail and shopping areas and institutional and civic uses. Of the existing generators, 32 are located along US-19, US-41, and SR-44. The majority of passengers come from the Hernando – Inverness area and use the system extensively. The majority of all trips are to shopping centers or medical facilities. The most frequented destinations are the Walmart Stores, Winn Dixie Stores, and Publix Stores across the county.

Increased transit needs to and from new housing and retail developments; and medical facilities as the County expands.

INVENTORY OF AVAILABLE TRANSPORTATION SERVICES

Existing Transit Service

The existing CCT system provides transit service throughout Citrus County as a demand-response para transit bus system. The system picks up riders anywhere within the county's 773 square-mile area and transports them to their planned destinations, in some cases for Veterans Services as far as Gainesville, Tampa and the Villages VA, and Social Security Office in Ocala.

Due to COVID, current deviated fixed route service hours are from 6:00 a.m. to 6:00 p.m.

While most service areas for door-to-door service have transit service from Monday to Friday (except holidays), certain service areas such as Dunnellon and Ozello/Red Level/Citronelle are available only on select weekdays. Riders may call and make a reservation up to 14 days in advance, with a minimum of two day by noon advance notice. Same day service may be accommodated if scheduling is available to allow scheduling of routes and drivers. The following are the schedules of CCT's current transit service within each service area:

Currently, CCT has ten (10) administrative staff personnel and twenty--nine (-29) bus drivers (including casuals). Under the existing fee structure, adults pay full price and children 12 and under ride free. The existing fee structure is \$5.00 public and \$3.00 Eligible Transportation Disadvantaged per one-way trip.

The operation revenues and operating expenses for -2019-2023, including the Coordinating Contractor data are depicted in Table 5: Revenues and Operating Expenses by Measure and Year Citrus County, Florida -2019-2023.

CCT’s operation is supported by various state and county funding mechanisms. In 2023, local funding accounted for approximately 13% of the operating expense of CCT, primarily due to the use of CARES Act funding. The remaining operation costs are funded by the Commission for the Transportation Disadvantaged and other state and federal funding programs, including:

- **Section 5307** –The Federal Transit Administration provides monies for operations and purchase of equipment. Received 5307 CARES ACT funding that reduced the local funding.
- **Section 5311** – FDOT provides monies for operations and the purchase of equipment.
- **State Block Grant** – FDOT provides monies for 5307 and 5311 match.
- **Section 5339** – FTA provides funds for the purchase of equipment and facilities.
- **Developmental Services** - This program is sponsored by the Key Training Center for the mentally disabled. Under this program, the individuals are transported to and from the Key Training Center to their homes.
- **Florida Commission for the Transportation Disadvantaged** - Operating costs are provided for transportation disadvantaged customers.

Because of the high percentage of transportation disadvantaged, fare box revenues do not account for a large percentage of the CCT’s funding. In 2023, rider fares accounted for 2% of the total operational funding.

SERVICE ANALYSIS

Forecasts of Transportation Disadvantaged Population

Projected Transit Demand

According to the Census Bureau, Citrus County had a population of 153,849 in 2020. The population increased at a rate of 8% between 2010 and 2020 and is estimated at 166,696 in 2023, an approximate 9% increase. Historical and projected population information for the County is shown in Table 6: Historical and Projected Population by Year Citrus County, Florida 2020-2050.

Age Distribution

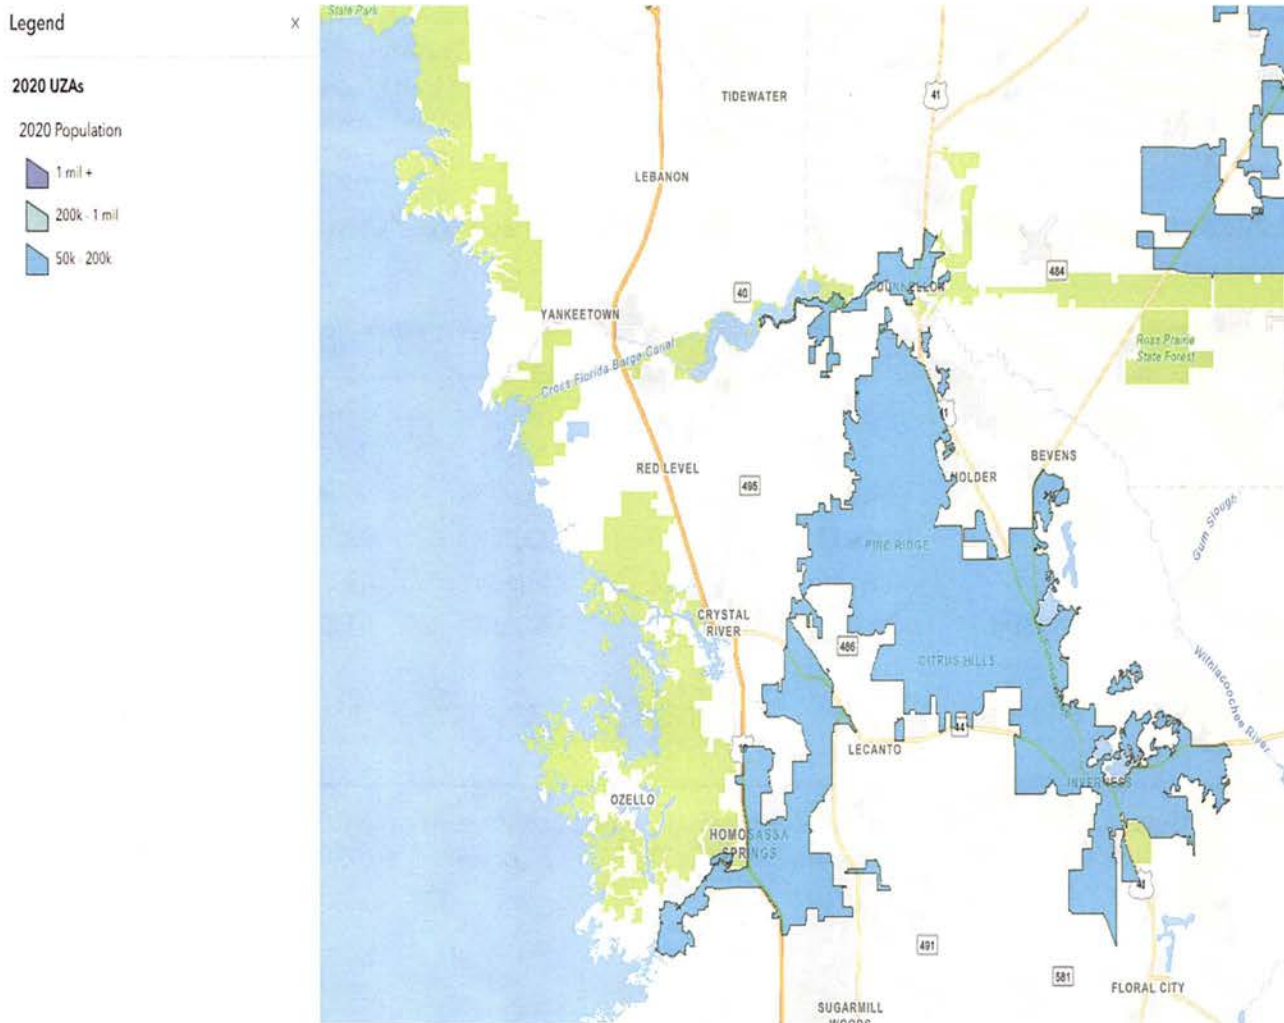

Citrus County is considered one of the three counties with the largest percentage of older population per capita in the Nation. Approximately 54% of the county’s population is currently 55 years and older and the percentage of elderly population is expected to remain 54% through 2030 to 53% into 2045. Citrus County’s aging population indicates a critical need to not only maintain but expand transit services in the future. The projected distribution of age groups in Citrus County is shown in the table below 2020-2045.

Table 9: Existing and Projected Age Distribution by Age and Year Citrus County 2020-2045

CITRUS COUNTY TRANSPORTATION 2020-2035 PROJECTED TRANSIT FLEET AND FACILITY NEEDS

Future transit needs were estimated using the constant ratio current growth rate method, with the assumption that the current relationship between the transit fleet and average monthly ridership will remain constant over time. The historic and projected number of buses needed through the year 2035 can be seen in Table 10: Citrus County Fleet Needs, Historic and Projected, 2020-2035.

All future transit plans depend on the availability of funding and the necessary population density to support the deviated fixed route system. More opportunities for state transit funding are available to support the deviated fixed route system when counties reach a population of more than 200,000 people.

Table 10: Citrus County Fleet Needs, Historic and Projected, 2020-2035

Transportation Plan Impacts on Public Transit

Highway and roadway improvements scheduled over the next 10-years will have 2 types of impacts for CCT. The major improvements will result in short-term impacts and long-term impacts. All roadway improvements are identified in the County's 5 Year Capital Improvement Plan and Florida Department of Transportation's (FDOT) 5 Year Work Program.

The short-term "construction" impacts could result in minor delays and alternate routes during the construction of the new facilities. It is anticipated that these impacts could result in additional time being required to transport passengers. The length of delay will likely vary due to the demand response nature of the existing transit service. Coordination between the CCT and agencies involved in the roadway improvements is necessary to continue providing as efficient a program as possible. This effort should include, at a minimum, a 10-day notification of highway construction projects in the County.

The long-term impacts will be characterized by reduced traffic congestion levels and improved vehicle and transit operations. In addition, because of improvements in the roadway network, more routing options could potentially be made available where CCT service is currently not available. For instance, the potential extension of the Suncoast Parkway may create the opportunity to provide longer distance bus service and inter-county regional bus service.

Public Transit Plan

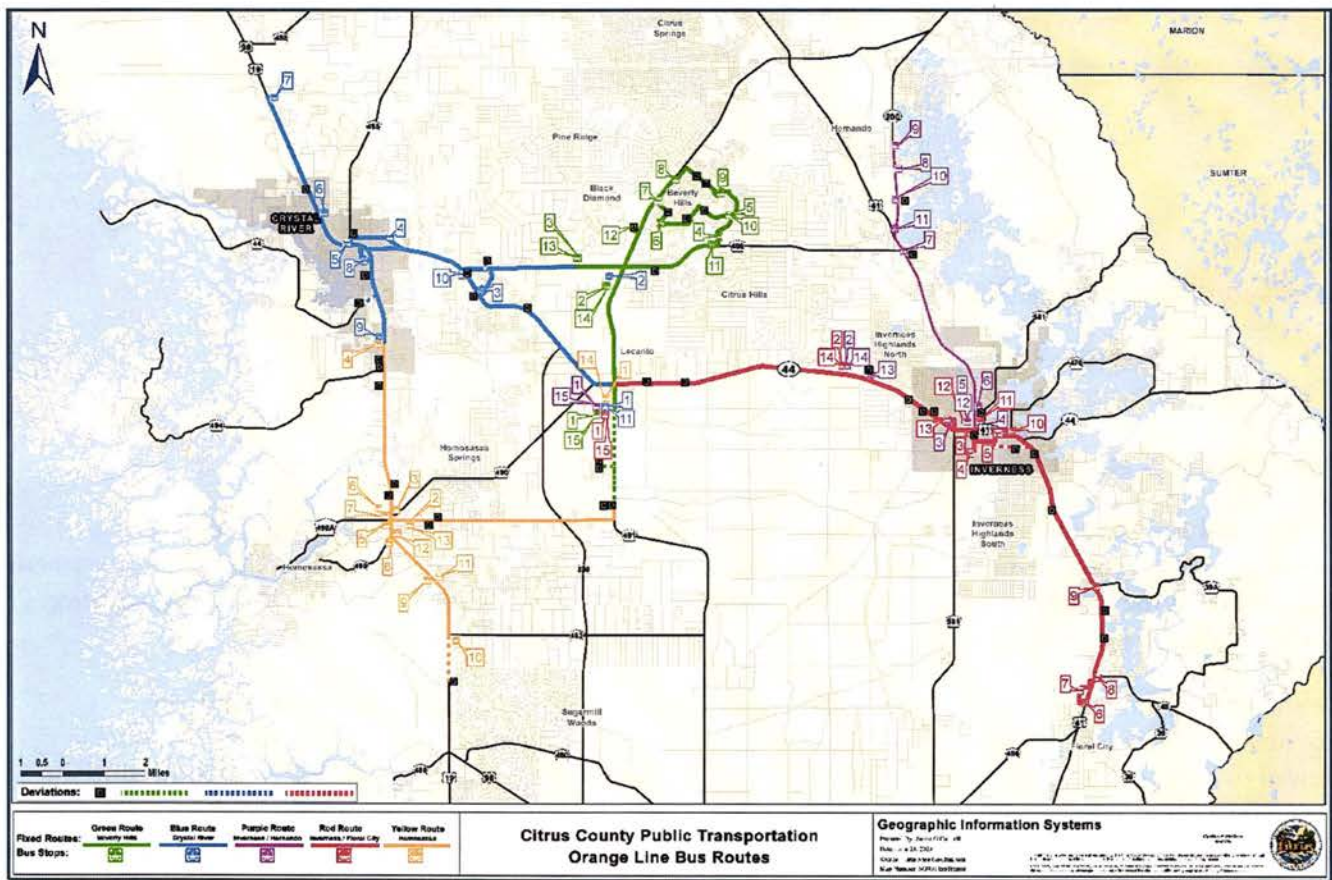

The population and population density of Citrus County has allowed CCT to develop a successful deviated fixed-route transit service. The public transit plan proposes the continued operation of the existing demand-response para transit service and expanding service geographic reach, increasing service hours, and increasing trip frequency to serve a larger percentage of the County’s population.

In the longer-term, as the County’s population continues to increase and as more transit funding opportunities are made available, the County should plan to increase the frequency of the deviated fixed route service.

Orange Line Deviated Fixed Route Information

The County’s land use element calls for encouraging mixed-uses and higher density development around nodes and major corridors. Following is the map of the Orange Line Deviated Fixed Route Service routes. The four different routes return to the Citrus County Transit Center six times per day in order to accommodate cross county trips.

Where to Catch the Bus:

The locations of each stop are shown on the map and described on the schedule.

Use the Map and Schedules to Plan Your Bus Trip:

Look at the map to decide which route and direction you wish to travel. Go to the schedule and find your stop number and times of pick up. The Transfer station is at The Citrus County Transit Office or Lowes-Inverness.

Deviations:

Several stops are shown on the schedule as a deviation, you must call Citrus County Transit at **352-527-7630** at least one (1) hour prior to pick-up time to schedule a deviation. Please let the driver know where your destination will be when you board the bus.

Customer Service:

Orange Line hours: 6am – 6pm

Call us at **352-527-7630** if you need additional information or would like to comment on our service. We value your feedback.

What else do I need to know?

You must pay the fare or show a ticket each time you board the bus. Please have exact change drivers cannot make change.

Let driver know where you want to get off at least 2 stops ahead of time.

Service for Persons with Disabilities:

Citrus County Transit buses are wheelchair accessible. If you live within a quarter mile of a bus stop, and are unable to get to a stop, contact our office and you may request a deviation within 1 hour or be picked up at your home with 24 hours advance notice with door-to-door service. Call us at (352) 527-7630.

BARRIERS TO COORDINATION

The following barriers to coordination have been identified:

- Agencies that develop new or expand existing programs without regard to transportation in the planning and/or budget phases. This places reliance on already scarce TD Trust Funds.
- Geographic Location – The rural service area creates a challenge as essential services; i.e. medical, and employment trips result in longer trips. The traffic congestion is increasing as the growth rate continues to climb.
- Technology – The need for updated intelligent transportation system software would assist in enhancing service for riders.
- Capital Purchases – The length of time to order and receive service vehicles to replace aging fleet impacts the current fleet’s ability to maintain consistency. Additionally, there is a great need for bus stop shelters which are costly in labor and materials. Florida’s rainy season (June-November) impacts riders’ ability to board buses where no shelters are currently provided.

GOALS, OBJECTIVES AND STRATEGIES

- 1. Goal: The CTC shall provide transportation services that are cost effective and efficient.**

Objective: The CTC shall strive to provide transportation services that maximize the use of all vehicles to eliminate duplication of service without excessive inconvenience to passengers.

Strategies:

- The CTC shall review driver manifests daily to prevent duplication of effort whenever possible.
- The CTC shall schedule passengers geographically, multi-loading agencies, in order to streamline the use of resources (buses and drivers).
- The CTC shall measure the total passenger trips per vehicle.

- 2. Goal: The CTC shall eliminate physical barriers to the use of transportation services by persons who are elderly and/or disabled.**

Objective: The CTC shall comply with the requirements of the Americans with Disabilities Act (ADA) regarding access to and provision of transportation services.

Strategies:

- The CTC shall provide alternative media types for accessing services, such as, large print publications, when requested.
- The CTC shall develop a formal training program for the utilization of special equipment for the disabled as well as for passenger sensitivity issues as they pertain to the disabled.
- The CTC shall maintain an adequate number of vehicles with operational wheelchair lifts to ensure equivalent services to individuals with disabilities.

3. Goal: The CTC shall comply with all reporting requirements of the Commission for the Transportation Disadvantaged and the Coordinating Board.

Objective: The CTC shall complete all reports as required or as requested by the Coordinating Board or the commission.

4. Goal: Respond to grievances as specified in the Coordinating Board's Grievance Procedures.

Objective: All grievances will be addressed in a timely manner.

5. Goal: The CTC shall ensure the provision of safe transportation services.

Objective: The CTC shall ensure the safety and well-being of passengers through inspection and maintenance of all vehicles.

Strategies:

- The Public Transportation Agency Safety Plan (PTASP) shall meet all established requirements and adhere to legislative rule.
- Vehicles shall be inspected on a daily basis by drivers and on an annual basis by certified mechanics.
- Vehicles shall receive regularly scheduled preventive maintenance.

6. Goal: The CTC shall comply with federal requirements for drug and alcohol testing.

Objective: The CTC shall ensure the safety and well-being of passengers through compliance with testing requirements vehicles.

Strategy:

- The CTC shall ensure that all required testing is completed as required.

Accessing Services

CCT operates a Public Transportation system, and anyone is eligible to access services simply by making a reservation. Reservations must be made no later than noon 2 business days in advance. Reservations are taken Monday through Friday (excluding County designated holidays) from 8:00 A.M. until 5:00 P.M. by calling (352) 527-7630. Passengers are required to pay a fare box fee of \$5.00 each way with \$1.00 transfer fees. Children, 12 and under, will be permitted to travel at no cost. Passengers must complete an application process to determine eligibility for TD. Applications are available on buses, in person, and by mail. When necessary, due to either capacity or time constraints, priority is given to trips in the following order: medical, nutrition, employment, education, shopping, and recreation. To date, CCT has not found it necessary to implement prioritization. Passengers are required to cancel any trip reservation that is no longer needed at least sixty (60) minutes prior to the scheduled pick-up time.

Education Efforts / Marketing

Citrus County Transit's marketing efforts include Transit Website, FaceBook, brochures, business cards, Internet, and flyers. CCT uses public advertising in newspapers, social media, on radio and television stations and whenever possible presents information (verbally) at area organizations. In addition, advertisements of TD Meetings published in the local newspaper allow a minimum of 10 days' notice to the public to prepare if they choose to attend.

Emergency Preparedness and Response

CCT participates in county evacuation efforts, focusing on assisting special needs residents as coordinated by the Emergency Operations Center. Procedures for disaster preparedness are outlined in CCT's System Safety Program Plan/Standard Operating Procedures Manual.

Inter-county Services

CCT is not involved in any inter-county services at this time.

Public Transit Utilization

CCT operates a public transportation system. CCT's public transportation system is the only available coordinated transportation within Citrus County.

School Bus Utilization

CCT does not utilize school bus transportation at this time, as it is not cost effective to do so.

Service Standards

The following 17 service standards are adopted and currently in place:

Adequate Seating:

Vehicle seating on CCT vehicles will not exceed the manufacturers recommended capacity for adults.

Standing is not permitted on Para Transit vehicles. Standing is permitted for the Orange Line Deviated Fixed Route.

Air Conditioning/Heating:

All Citrus County Transit vehicles will be equipped with air conditioning and heating. Those vehicles with non-functioning air conditioning and/or heating shall be repaired as quickly as possible.

Billing Requirements:

CCT shall reimburse all contracted operators within twenty-five (25) business days of receiving a final, correct invoice.

Communications:

All Citrus County Transit vehicles will be equipped with 2-way radios for communications and county issued cell phones.

Driver Identification:

All Citrus County Transit drivers will have nametags displayed on their shirts and/or jackets and will be required to announce and identify themselves as required in rule 41-2.006(l) of the Florida Administrative Code.

Drug and Alcohol Policy:

Citrus County Transit will comply with all FTA requirements.

Out of service area Trips:

Services will be provided out of the service area by CCT for Veterans traveling to the VA Medical Center Gainesville. Tampa and the Villages on a weekly basis. Services to Social Security Administration Offices in Ocala will be provided monthly.

Passenger Assistance:

Limited passenger assistance will be provided to all passengers on and off Citrus County Transit vehicles. Drivers will only be able to provide passengers with stabling assistance. They cannot provide weighted support.

Passenger Property and Packages:

Passengers traveling with CCT will be allowed to transport any personal property that can be placed in their lap or stowed under the seat. Passengers must be able to independently carry any personal property.

Passengers traveling with CCT from shopping facilities will be allowed a manageable number of small bags or parcels. Small is defined as small enough to fit on a passenger's lap or under the seat without blocking the aisle of the bus. Passengers must be able to independently carry any bags or may have an attendant to help them.

Passenger/Trip Database:

CCT will collect the name, address, phone number, funding source eligibility information, and any other information pertinent to providing transportation services from each client.

Smoking, Eating, and Drinking:

Smoking is not permitted on Citrus County vehicles. Eating or drinking is not permitted on Citrus County Transit vehicles, with the exception of driver break or lunch period while the bus is parked. Water bottles are permitted during the summer months.

Transport of Escorts and Dependent Children Policy:

Children 12 and under traveling with CCT must be accompanied by an adult escort. Children 12 and under ride free.

A registered attendant at no additional cost may accompany individuals requiring special assistance. The attendant must be able to provide the necessary assistance to the passenger.

Use, Responsibility, and Cost of Child Restraint Devices:

Child restraint devices are not required on CCT's Public bus service. However, if used, it is the responsibility of the parent to secure such devices.

Vehicle transfer points (CTD required):

Local Toll-Free Telephone Number: 1-800-983-2435

CCT maintains a local toll-free phone number to the Commission for the Transportation Disadvantaged. This number is included in complaint procedures/policies and CCT publications. Citrus County Transit located at 1300 South Lecanto Highway, Lecanto, Florida, 34461 is the only vehicle transfer point used by CCT.

Vehicle Cleanliness:

All CCT vehicles shall be cleaned daily and shall be free of dirt, trash, and sand at the start of each day. Buses need to be washed outside and mopped inside once a week.

Public Transportation Agency Safety Plan

CCT operates under a Public Transportation Agency Safety Plan (PTASP) as required by the Federal Transit Administration (FTA), adopted in September of 2020 by the Board of County Commissioners, updated, and approved by the BOCC annually. FTA reviews through Triennial Reviews.

Transportation Operators and Coordination Contractors

CCT currently has one (1) Coordination Contract with the Citrus County Association for Retarded Citizens (CCARC). CCARC is a non-profit organization serving the needs of the mentally disabled population within Citrus County. Due to capacity and time constraints, CCT is not able to accommodate the majority of the needs for CCARC program participants. CCARC provides some 65,000-78,000 one way trips each year to its participants, some of which reside at CCARC facilities. CCARC can be reached as follows:

Theresa Rutterman Flick
1315 N. VanNortwick Road
Lecanto, FL 34461-9710 (352) 795-5541

Type, hours, and days of service

Citrus County Transit (CCT) operates a non-emergency demand response/para transit, door-to-door service Monday through Friday, excluding County designated holidays. Operating hours range from 6:00 A.M. until 6:00 P.M. CCT operates on pre-set schedules and reservations. **Reservations** are taken by telephone, **(352) 527-7630**, up to fourteen (14) calendar days in advance but no later than two (2) business days by noon Monday through Friday from 8:00 A.M. until 5:00 P.M., excluding County designated holidays. Reservations are also taken in person by office staff only. Reservation requests are placed as capacity allows. Standing Orders, trips that occur at the same time on the same day every week, are also available. Passengers only need to call in a reservation twice to begin the Standing Orders. Services are available to ambulatory and wheelchair passengers. Service schedules are established geographically with all areas of Citrus County receiving services

a minimum of two (2) days each week, with most areas receiving services 5 days each week. Same day services may be provided if available Passengers are required to cancel any trip reservation that is no longer needed at least sixty (60) minutes prior to the scheduled pick-up time.

CCT also provides transportation services for county veterans traveling to the VA Hospital in Gainesville, Tampa, and the Villages weekly. Services to Social Security in Ocala will be provided monthly. This service is provided from several locations throughout the county.

First Aid Policy CTD Required

The following 10 Commission standards are adopted and are currently in place:

Accidents

It is the goal of the CTC to keep accidents to a minimum. CCT provides FTA approved training to all new drivers as well as in service training. Transportation Operators and Coordination Contractors of the CTC will be monitored to meet the same standard. Based on the reporting requirements of the AOR (chargeable accidents involving claims greater than or equal to \$1,000.00), and past records of accidents, the CTC will set a goal of no more than six (6) chargeable accidents per year. Incident / Accidents shall be reported to the Commission for Transportation Disadvantaged within seventy-two (72) hours (if over \$1,000.00 in property damage), and within 24 hours if there is a fatality involved pursuant to section 14.80 of the Transportation Disadvantaged Trip and Equipment Grant Agreement.

Advance Reservation Requirement

Reservations can be made up to 14 days in advance and are due to CCT no later than noon two (2) business days prior to the date transportation is needed. Reservations for Social Security Administration Offices in Ocala must be made by noon on Friday of the week preceding the scheduled trip.

Call Hold Time

All calls placed to CCT shall be placed in a queue and should not be on hold for longer than four (4) minutes. There is no monitoring tool in place for this standard.

Contract Monitoring

CCT will perform a biennial evaluation of contracted operators using the FDOT evaluation tool.

Driver Criminal Background Screening

Employment Level II Background Screening is completed on all applicants before becoming an employee of CCT. Transportation Operators and Coordination Contractors of the CTC will be monitored to meet the same standard.

First Aid/CPR

Citrus County Drivers are not required to be First Aid or CPR trained. CCT's policy is to use 911 in all situations per Citrus County Risk Management.

On Time Performance

CCT will strive to achieve an 85% on-time performance rate for all completed trips.

Pick Up Window

Passengers traveling with CCT will be picked up within one hour from the scheduled pick up and return times.

Public Transit Ridership

Most ambulatory and wheelchair trips within the service area are accommodated by public transit schedules. Anticipate ridership to increase by at least 2% annually.

Road Calls

There should be no less than 10,000 miles between road calls in a one (1) year period for CCT.

Service Effectiveness

Determined by Performance Measures as monitored by the Local Coordinating Board's evaluation of the independent report on the CTC.

Transit Cancellation/No Show Policy:

Citrus County Transit's, ("CCT"), Door-to-Door Program acknowledges that occasionally situations will arise that result in a rider needing to cancel or miss a scheduled trip. However, frequent, and excessive late cancellations and/or no-shows of scheduled trips negatively affect the efficiency of the service and the cost of providing the service. To cancel a trip, the rider must call (352) 527-7630.

Definitions:

Excessive cancellations: occurs when a rider schedules multiple trips and subsequently, regularly cancels.

Late cancellation: occurs when a rider cancels a scheduled trip with less than one (1) hour notice.

No-show: occurs when a rider is not at the designated pick-up location at the scheduled time of the trip or refuses the trip.

Sanctions and Appeals:

CCT will track the scheduled trips, no shows, late cancellations, and excessive cancellations of each rider. Each leg of the trip will be treated separately. CCT will enter the late cancellation/no show into the rider's file and will keep track of the occurrences. All riders will be issued a written notification after the first offense, and notifications will include a list of the late cancellations, excessive cancellations, and no-show of scheduled trips. CCT will notify the rider if they meet any of the following criteria within a 30-day period:

1. Late cancellations/cancellations representing 25% or more of scheduled trips, or
2. The rider has three (3) or more no-shows.

When a rider violates this policy, the following progressive action is taken:

1. First offense – the rider will receive a verbal warning, documented in the rider's file.
2. Second offense – the rider will receive a 3-day suspension.
3. Third offense – the rider will receive a 7-day suspension.
4. Additional violations will result in a 30-day suspension.

CCT will take every step possible to ensure that a rider is an actual no-show. The bus operator will wait up to three (3) minutes before determining the rider is a no-show. No-shows that are out of the rider's control will not count against the rider and proof thereof shall be provided to a CCT supervisor.

All riders have the right to appeal any written notification they receive regarding their offense. Riders will be allowed to continue to use the service until their appeal is decided. All riders will receive a written notification of their appeal decision. All appeals must be reported to the CCT Director at (352) 527-7630 or by mail to 1300 S. Lecanto Hwy., Lecanto, FL 34461.

ATTACHMENT A

GRIEVANCE PROCEDURES

- A. Establishment - It is the intent of the LCB (Local Coordinating Board) to encourage resolution of grievances at the lowest level and to educate passengers, funding agencies and any other interested parties about the grievance process(es).

A grievance committee is established under Article VII of the Citrus County Transportation Disadvantaged Coordinating Board by-laws and shall be applied as it becomes necessary under conditions described in Section D below.

- B. Hearing vs. Hearing and Determining - There is a distinct difference between “hearing” a grievance and “hearing and determining” a grievance. There is no bar to a person or entity listening to or “hearing” a grievance. An entity may investigate a grievance as long as it does not impose requirements on third parties that are not supported by statute or contractual agreement. However, when an entity makes a determination of the rights, duties, privileges, benefits or legal relationships of a specified person or persons, it is exercising “adjudicative” or “determinative” powers. It should be noted that Chapter 427, F.S grants no “adjudicative” powers to any party or entity “hearing” a grievance.

- C. This section will delineate the difference between a formal grievance pursuant to Chapter 427 F.S. and Rule 41-2 F.A.C., and a service complaint.

1. Service Complaint- service complaints are routine incidents that occur on a daily basis, and are reported to the driver, dispatcher or other individuals involved with the daily operations. Service complaints are to be resolved within a reasonable period of time and followed up by the CTC (Community Transportation Coordinator).

Service complaints may include but not limited to:

- I. Late trips (late pick-up and or late drop off)
- II. No-show by transit operator
- III. No-show by client
- IV. Client behavior
- V. Driver behavior
- VI. Service denial to client
- VII. Passenger discomfort

2. Formal Grievance- a formal grievance is a written complaint to document any concerns or an unresolved service complaint regarding the operation or administration of TD, (Transportation Disadvantaged), services by the CTC, DOPA (Designated Official Planning Agency), or LCB.

Formal Grievances may include but are not limited to:

- I. Chronic or reoccurring or unresolved service complaints
- II. Violations of specific laws governing the provision of TD services i.e., Charter 427 F.S., Rule 41-2 FAC and accompanying documents,
- III. Sunshine Law and ADA
- IV. Contract disputes (agencies/operators)
- V. Bidding disputes
- VI. Agency compliance

- VII. Conflicts of interest
- VIII. Billing and or accounting procedures

D. These procedures will apply to all service complaints and formal grievances brought to the attention of the CTC or the DOPA staff.

1. Passengers who are trespassed from Citrus County Transit by law enforcement and have been identified as a safety issue are NOT eligible for the Grievance process.
2. If a service complaint cannot be resolved after all efforts by the CTC to reach an amicable resolution, it may be treated as a formal grievance if it is submitted in writing to the CTC. All grievances must contain the following:
 - I. Name and Address of the complainant,
 - II. A statement of the grounds for the grievance with supporting documentation, made in a clear and concise manner.
 - III. An explanation of the relief desired by the complainant.

The CTC will issue a decision in writing, delivered via regular mail, no later than 20 working days after the formal grievance is filed with the CTC. The decision will give the complainant an explanation of the facts that led to the CTC's decision and will provide a method by which a resolution might be reached. Copies of all correspondence must be submitted to the LCB.

3. If an amicable resolution cannot be reached with the CTC, then the written grievance and the CTC's written report will be submitted to the Grievance Committee. The Grievance Committee must schedule a meeting at which the grievance will be heard, with the aggrieved party present. The grievance committee must respond in writing, by certified mail, to the complaint no later than 30 days after the meeting. If the majority of the grievance committee cannot satisfy the complainant or deems the complaint to be of a nature requiring the LCB's attention the matter will next be referred to the LCB.
4. The written grievance and written reports will be submitted to the LCB. The LCB shall meet with the aggrieved party and hear the grievance. The LCB shall have a maximum of 60 days to respond in writing, by certified mail, to the complainant.
5. If a resolution cannot be reached by the LCB, the written grievance and written reports will be submitted to the TDC, (Transportation Disadvantaged Commission). The TDC will review the written grievance and the written reports and will issue a written determination no later than sixty (60) days after its receipt of the case file. This written determination will be sent via Certified Mail to the complainant. Upon the TDC entering its determination, the TDC's direction will be followed, or the grievance matter will be closed with no further proceedings on the grievance at the County level.
6. At any time, an aggrieved party with proper standing may elect to seek recourse in other proceedings outside of this grievance process, through the Chapter 120, F.S., administrative hearing process or through the judicial system.

COMMUNITY TRANSPORTATION COORDINATOR MONITORING PROCEDURES FOR OPERATIONS AND COORDINATION CONTRACTORS

DOT guidelines are followed to evaluate/monitor operators on a biennial basis. The procedure is called a “Bus Transit System Safety Review”. The following guidelines are followed:

A safety review is an on-site assessment to determine if a bus transit system has adequate safety management controls in place and functioning that meet safety standards provided and incorporated by reference in Rule Chapter 14-90, F.A.C.

1. Safety reviews shall be conducted at least once every two (2) years at those bus transit systems defined in Rule 14-90.002(5) (10) and (13), F.A.C.
2. Each bus transit system shall be notified in writing, not less than three (3) weeks prior to a safety review. The District Public Transportation manager should coordinate scheduling and areas of review with the bus transit system prior to written notification. At the discretion of the District Public Transportation manager, additional reviews may be scheduled for selected bus transit systems, primarily for follow-up.
3. A safety review report shall be prepared within three (3) weeks subsequent to the completion of a review. The report shall state items reviewed, a description of the findings, and any corrective actions required. Also, indicate recognition in areas where exemplary compliance is demonstrated. A copy of the report shall be provided to the effected bus transit system and the central office safety program manager. Note: if the safety review finding indicates the continued operation, or a portion thereof, is posing a potential danger to passengers or public safety, the transit system shall be required to initiate and achieve corrective action to unsafe conditions before continuation of effected operations. If the effected transit system refuses to initiate and achieve corrective action pursuant to the requirements of the safety review, the Department shall suspend any or all of its obligations under any existing Joint Participation Agreements.

A safety review shall consist of the following activities:

- A. Ascertain the development of a formal PTASP (incorporating aspects of the SSPP) that addresses, at a minimum, established safety standards set forth in Rule Chapter 14-90, F.A.C. The PTASP, at a minimum, shall consist of safety considerations for the following:
 - Management
 - Vehicles and equipment
 - Operational functions
 - Maintenance
 - Equipment for transporting wheelchairs.
 - Training
 - Federal, State, and Local regulations, ordinances, or laws and
 - Private contract bus transit systems as defined in Rule 14-90.002 (14) and 14-90.004 (1) (a) 9, F.A.C.

- B. Check records for minimum annual safety inspection of all operational buses. A bus system's safety inspection checklist should include, at a minimum, the following (reference Rule 14-90.009, F.A.C.)
- Horn
 - Windshield wipers
 - Mirrors
 - Wiring and battery(ies)
 - Service and parking brakes
 - Warning devices
 - Directional signals
 - Hazard warning signals
 - Lighting systems and signaling devices
 - Handrails and stanchions
 - Standee line and warning devices
 - Doors and interlock devices
 - Stepwells and flooring
 - Emergency exits
 - Tires and wheel
 - Suspension system
 - Steering system
 - Exhaust system
 - Seat belt
 - Safety equipment and
 - Equipment for transporting wheelchairs
- C. Check for proof of valid driver license documentation copy should be on file (reference Rule 14-90.004(3) (b), F.A.C.) Check for documentation of driver training performed, either by certificate on file or record of training provided (reference Rule 14-90.004(3) (d), F.A.C.).
- D. Check for record of driver receipt of written operational and safety procedures i.e., driver's handbook/SOP (reference Rules 14-90.004(3) (e) and 14-90.006(1-18), F.A.C.).
- E. Check for records of driver's work periods, which should include the following (reference Rules 14-90.004(3) (g), .006(3) (a) (b), and .006(4) (5), F.A.C.):
- Total days worked
 - On duty hours
 - Driving hours and
 - Time reporting on and off duty each day
- F. Check for records of pre-employment medical examinations for employees hired as drivers after March 7, 1988 (reference Rule 14-90.0041, F.A.C., Form #775-030-01).
- G. Check for records of bus maintenance including a method for determining types and intervals of maintenance or inspections and the person or persons who performed maintenance or inspections (reference Rule 14-90.004(4) (a-d), F.A.C.).
- H. Check for establishment of an accident reporting, evaluation, and record maintenance system and review reporting requirements for accidents involving a fatality (reference Rules 14-90.005(1) and 14-90.005(2) (a-c), F.A.C.).
- I. Check for records of driver's daily inspection of vehicles. Inspection checklist, at a minimum, shall include the following (reference Rule 14-90.006(8) (a) (b), F.A.C.):
- Brakes
 - Parking brakes
 - Tires and wheels
 - Steering
 - Horn
 - Lighting
 - Wipers
 - Mirrors
 - Passenger doors
 - Exhaust system
 - Equipment for transporting wheelchairs and
 - Safety and emergency equipment

Equipment checks on vehicles shall include the following items:

- Standee line and warning (reference Rule 14-90.007(14), F.A.C.)
- Emergency exits (reference Rule 14-90.007(18), F.A.C.)
- Driver's seat belt (reference Rule 14-90.007(23), F.A.C.)

- Fire extinguisher (reference Rule 14-90.007(24) (a) (b), F.A.C.)
 - Portable red reflectors (reference Rule 14-90.007(24) (c.), F.A.C.)
 - Manufacturer’s/installer’s certification label on wheelchair lift equipment and ramps (reference Rule 14-90.008(1)(e), F.A.C.)
4. Bus transit system establishment, adoption, and monitoring of safety standards for private contract bus transit systems (reference Rule 14-90.004(2), F.A.C.).
 5. Documentation that the bus transit system has performed or required the performance of annual safety inspections for all vehicles operated under contract to the bus transit system (reference Rule 14-90.009(1), F.A.C.).
 6. Documentation that indicates monitoring of private contract bus transit systems to assure adoption and implementation of a SSPP by private contract bus transit systems (reference Rule 14-90.004(2) (a) (b), F.A.C.).
 7. Check for compliance with the “Drug-Free Workplace Act,” 49 Code of Federal Regulations, part 29 (reference Rule 14-90.004(3) (h), F.A.C.).
 8. Following completion of a safety review, conduct an exit interview with the bus transit system to give a preliminary report of the review and findings.

Coordination Contract Evaluation Criteria

The evaluation criteria for operators and coordination contractors are reviewed by the Transportation Disadvantaged Coordinating Board quarterly and annually in the form of a Transportation Report to review any substandard reports or incidents.

QUALITY ASSURANCE

Service Standards

The following 17 service standards are adopted and are currently in place:

Adequate Seating

Vehicle seating on CCT vehicles will not exceed the manufacturers recommended capacity for adults. Standing is not permitted on CCT para transit vehicles. Standees will be permitted to stand on the Deviated Fixed Route.

Air Conditioning/Heating

All Citrus County Transit vehicles will be equipped with air conditioning and heating. Those vehicles with non-functioning air conditioning and/or heating shall be repaired as quickly as possible.

Billing Requirements

CCT shall reimburse all contracted operators within 25 business days of receiving a final, correct invoice.

Driver Identification

All Citrus County Transit drivers will have names displayed on their shirts and/or jackets and will be required to announce and identify themselves as required in rule 41-2.006(l) of the Florida Administrative Code.

Drug and Alcohol Policy

Citrus County Transit will comply with all FTA requirements.

Local Toll-Free Telephone Number 1 800-983-2435

CCT maintains a local toll-free phone number to the Commission for the Transportation Disadvantaged. This number is included in complaint procedures/policies and is included in CCT publications.

Out of service area trips

Services will be provided out of the service area by CCT for Veterans traveling to the VA Medical Center Gainesville, Tampa, and the Villages on a weekly basis. Services to Social Security Administration Offices in Ocala are provided monthly.

Passenger Assistance

Limited passenger assistance will be provided to all passengers getting on and off Citrus County Transit vehicles. Drivers will only be able to provide passengers with stabling assistance. They cannot provide weighted support.

Passenger Property and Packages

Clients traveling with CCT will be allowed to transport any personal property that can be placed in their lap or stowed under the seat. Passengers must be able to independently carry any personal property.

Clients traveling with CCT from shopping facilities will be allowed three (3) small bags or parcels. Small is defined as small enough to fit on a passenger's lap or under the seat without blocking the aisle of the bus. Passengers must be able to independently carry any bags or may have an attendant to help them.

Passenger/Trip Database

CCT will collect the name, address, phone number, funding source eligibility information, and any other information pertinent to providing transportation services from each client.

Service Animals

CCT follows the Americans with Disabilities Act and Florida Statutes 413.08 as it relates to Service Animals.

Smoking, Eating, and Drinking

Smoking, eating or drinking is not permitted on Citrus County Transit vehicles with the exception of driver break or lunch period, while the bus is parked.

Transport of Escorts and Dependent Children Policy

Children 12 and under traveling with CCT must be accompanied by an adult escort. The adult escort will not be required to pay full fare as applicable. Children 12 and under will be permitted to travel at no cost.

A registered attendant at no additional cost may accompany individuals requiring special assistance. The attendant must be able to provide the necessary assistance to the passenger.

Two-way communications

All Citrus County Transit vehicles will be equipped with two-way radios for communications and county issued cell phones.

Use, Responsibility, and Cost of Child Restraint Devices

Child restraint devices are not required on CCT's Public bus service. However, if used it is the responsibility of the parent to secure such devices.

Vehicle Cleanliness

All CCT vehicles shall be cleaned daily and shall be free of dirt, trash, and sand at the start of each day.

Commission Standards

The following 10 Commission standards are adopted and are currently in place:

Accidents

It is the goal of the CTC to keep accidents to a minimum. CCT provides training to all new drivers as well as in service training. Transportation Operators and Coordination Contractors of the CTC will be monitored to meet the same standard. Based on the reporting requirements of the AOR (chargeable accidents involving claims greater than or equal to \$1,000.00), and past records of accidents, the CTC will set a goal of no more than 6 chargeable accidents per year. The County's Risk Manager will implement a plan to set up a County Accident Review Board to be comprised of various department members to review accidents and determine if the accident was preventable. Incident/Accidents shall be reported to the Commission for Transportation Disadvantaged within 72 hours (if over \$1,000.00 in property damage), and within 24 hours if there is a fatality involved pursuant to section 14.80 of the Transportation Disadvantaged Trip and Equipment Grant Agreement.

Advance Reservation Requirement

Reservations can be made up to 14 days in advance and no later than noon two (2) business days prior to the date transportation is needed. Reservations for Social Security Administration Offices in Ocala must be made by noon on Friday of the week preceding the scheduled trip.

Call Hold Time

All calls placed to CCT shall be placed into a queue and should not be placed on hold for longer than 4 minutes. There is no monitoring tool in place for this standard.

Contract Monitoring

CCT will perform a biennial evaluation of contracted operators using the FDOT evaluation tool.

Driver Criminal Level II Background Screening

Employment Background Screening is completed on all applicants before becoming an employee of CCT. Transportation Operators and Coordination Contractors of the CTC will be monitored to meet the same

standard.

On Time Performance

CCT will strive to achieve an 85% on-time performance rate for all completed trips.

Pick Up Window

Passengers traveling with CCT will be picked up within 60 minutes from the scheduled pick up and return times.

Public Transit Ridership

All ambulatory and most wheelchair trips within the service area must be accommodated by public transit schedules.

Road Calls

There should be no less than 10,000 miles between road calls in a 1-year period for CCT.

Service Effectiveness

Service effectiveness is determined by Performance Measures as monitored by the Local Coordinating Board's evaluation of CTC.

COMMUNITY TRANSPORTATION COORDINATOR EVALUATION PROCESS

Evaluation Process

The Citrus County Transportation Disadvantaged Board evaluates the performance of the CTC annually. The evaluation incorporates Rule 41-2 requirements and Florida Commission for the Transportation Disadvantaged standards.

CTC Evaluation Process

The evaluation process includes components to measure the level of efficiency of the CTC on an annual basis and refine service goals and objectives. The process yields a report, which includes the following components of the evaluation process:

- Evaluation Matrix
- Cost Allocation
- Operations
- Coordination
- Utilization
- Service Plan Goals and Objectives
- Recommendations
