ONLY VEHICLES LISTED ON THIS APPLICATION MAY DISCHARGE AT THE SEPTIC STATION

Please note: Hernando County is experiencing an overabundance of sand at the Airport septage receiving stations and currently investigating the source. This sand causes abnormal wear to the facility and in turn causes unscheduled shutdowns of the facility.

_____ (initial) **All users** of the septic dump facility must be licensed by the Department of Health (DOH). Violations of any applicable provisions of Florida Statutes, rules or regulations adopted there under, or any applicable provisions of the Hernando County Code of Ordinances may result in suspension or revocation of permit privileges, licenses and/or civil or criminal penalties. Only materials from septic tanks and port-o-lets **originating in Hernando County** can be processed at the facilities.

_____ (initial) **Access to** this system is contingent on maintenance of a State of Florida License for Sewage Disposal Service.

_____ (initial) I have read and have a copy of the **Discharge Requirements** provided to me.

_____ (initial) **All wastes** must be accompanied by a completed waste manifest slip. The hauler shall sign the form, indicating that he has accepted no wastes other than those listed. The County shall have the right to access all parts of the vehicle discharging on the premises for the purpose of inspection, sampling and records examination and copying, and the performance of any additional duties.

Fees are as follows:
\$50 administrative fee / \$150 re-activation fee for non-payment
