(initial)

The undersigned applicant(s) for water/sewer service agree(s), jointly and severally, if applicable, to conform to and abide by all the rates, r u l e s and regulations provided by ordinance, code, resolution or otherwise of the Hernando County Water and Sewer District for water and/or wastewater service as are now or hereafter in force and which are a part of this contract. Applicant(s) further agree(s), jointly and severally if applicable, to pay water and wastewater hookup and connection fees where applicable and to pay all charges for water and/or wastewater service, as they may become due and at the scheduled rate in effect, unless and until notice in writing is given by the applicant(s) to the District through the Utilities Department that service is to be discontinued for whatever period of time.

Contract and Waiver:

This application is subject to the Florida Public Records Law. Some persons may be entitled to have their personal information exempted from Public Records production. If you have any legal basis for exempting your information (law enforcement officers, certain government supervisory officials, etc.), please state the basis below. In the event of a Public Records request for your application, legal counsel will be asked to confirm whether the claimed exemption applies. Public information exemption: _____ YES

Please state the basis: _____
