Trash from buildings, press boxes, and concession facilities must be disposed of properly, removed from the building and taken to the nearest dumpster and you must provide your own trash liners when using these facilities. Any excessive trash must be disposed of in the nearest dumpster to allow other park users to utilize trash receptacles. Do not leave overflow trash sitting next to trash receptacles.
- 7. If damage occurs to any field or park facility when using after periods of heavy rains or inclement weather, the league or responsible party is under the following obligations: (1) they will be responsible for paying any damages caused by inappropriate use; (2) notwithstanding that they will be liable for payment of damages, their privileges may also be suspended for a period for inappropriate use; and (3) if the damage is severe or willful, their privileges may be revoked.

For league play and tournaments, park staff will do the initial striping one time per field at the cost of \$25.00 per hour per staff, plus supplies. Any requested lining for special events or circumstances after that will be invoiced at the \$25.00 rate. Leagues/organizations will be invoiced for paint and chalk on a monthly basis. # Field Maintenance for All Baseball and Softball Fields

# All leagues and groups utilizing our ball fields must comply with the following field maintenance guidelines.

- 1. **Bases-** Teams playing games will put bases onto the fields prior to each game and return there bases to storage. Base plugs are to be put into field sockets when bases are returned to storage.
- 2. Chalk- League teams are responsible for lining game fields with the field chalk for all games. Chalk is only to be used on clay.
- **3. Paint-** Leagues are responsible for the initial stripping and maintaining of the lines. You may borrow the lining equipment from Parks.
- 4. All fields **must be raked** after each game or practice by the league teams. <u>This is a MUST</u>. Field rakes may be found hanging on the backstop fences at the field you are playing at or in the press box/PR storage. Home plate, first, second & third bases and around the pitcher mounds must be raked out.
- 5. **Clean Up**-All dugouts must be cleared of cups and trash. There are trash receptacles at or near each dugout. Each team, after each game, shall pick up trash on its side of the field and place in trash barrels.

# 6. NO SMOKING IS ALLOWED IN DUGOUTS!

- 7. **"Pepper"** WILL NOT be permitted against any fence, backstop or building. No ball throwing or hitting against any fence.
- 8. Make up Games-Will be scheduled through and approved by the Recreation Department.
- 9. Closed Signs on a field means that the field is closed and is not to be used, and park closed signs mean the entire park is closed
- 10. **Lights**-League teams are responsible for turning on and off lights after each game or practice. Leagues will be charged accordingly if lights are not turned on nightly (meaning turn the switch off)
- 11. **Scorer Booths-**All scorer booths should be clean of debris as well as locked after each use. All Public Announcing Equipment should be turned off and the building locked up. These are to be used by **ADULTS ONLY**.
- 12. Lock up- Unlocking before and locking up after games will be the responsibility of the approved user.

# 13. Drying Agent- Needs to be approved by park staff before use. *No Kitty Litter!*

Any problems with equipment, bases, lights, sprinkler or any other type of field conditions, please have the league director call the Recreation Office to report any concerns immediately. A service request will be sent to Parks so the work can be done.

All chalk and paint orders must be called in two weeks in advance to assure that we are able to get them to your leagues storage locker. *Hernando County Recreation Department: (352) 754-4031* 

I have read & understand the field use conditions and agree our league will follow the above rules. If we are found not in compliance with the above stated rules, I understand our league privileges at the county parks may be suspended or revoked.

# LEAGUE USAGE AGREEMENT

# **Field Schedule:**

Leagues will be required to fill out a **Facility Usage Application** for both practices and games. Practices and game schedules will need to be submitted in an Excel format. If you chose to submit a detailed schedule, that is fine as long as it is in an Excel format. All schedules for both practice and games must be submitted as soon as dates are known. Emailing, faxing is the best way to send schedules. (Examples are included in this packet as well as Facility Usage Application)

# <u>Keys</u>

After all information has been received by the Recreation Department, your league can obtain up to 2 sets of keys for the park you will be using. Established youth leagues are required to pay a \$300 security deposit per set of keys. Travel ball teams and all other private rentals, keys will be issued upon receipt of a \$25 security deposit per key. This amount will be deposited into a key deposit holding account. The deposit will be due at the time you pick up keys. At the completion of your season, all keys must be returned to the Recreation Department. A return check of your initial deposit will be prepared (this takes approximately 3-4 weeks). If there are outstanding balances on your leagues account, your key deposit will be applied to those balances first.

# Paint and Chalk

Is available for purchase from our department, two (2) weeks' notice is required for all orders. Please be mindful that leagues are now responsible for all stripping of fields.

# Field Closure

Please assist Parks & Recreation by following the rules and stay off the fields when the Field Closed Sign are posted. Parks staff will make a judgment call whether the fields are too wet or soft to play when they leave the park at 4 pm daily. League directors also had the authority to call the fields closed in the event the fields are too wet to play. League directors are also expected to make the call if the fields are unplayable due to lack of park staff on evening and weekends. Teams/Coaches caught playing on the fields when they are closed Will Be Banned from playing on the fields for the remaining season.

# Parking

All vehicles must park in designated parking area. At NO time are there to be vehicles parked inside of the pole gates at any park without approval from our department. Deliveries to the concession stands or storage areas are permitted. Once a deliver is made, the vehicle needs to be returned to the designated parking area. It is NOT up to the coaches or league directors to decide if someone is authorized to park in an unauthorized parking area. Should the problem with parking continue after the league has been notified it will jeopardize the leagues future use of the park/facility.

# Lights

Athletic field Usage with Lights: \$15 per hour.

# After 6 pm-November thru March; After 8 pm-April thru October

The light switch is like a standard household switch. Simply flip the switch up to turn the lights on and flip the switch down to turn the lights off. You **MUST turn the lights (switch) off or you will be billed accordingly if lights are not turned off nightly.** If lights are turned off between uses, reactivation time is 10 to 20 minutes.

# <u>Billing</u>

Billing is done at the end of each month. Payments are due by the 20<sup>th</sup> of every month for the previous month's bill. Failure to remit the balance by the due date will result in a \$30.00 late fee and will jeopardize further use of facilities.

# **Overtime**

Overtime will be charged accordingly for opening and closing ceremonies as well as game days if Park staff has to clean up the park. Overtime is booked at 4 hours minimum at a rate of \$25 an hour.
